SKILLS

- ❖ JAVA
- ❖ REACT
- ❖ Node JS
- ❖ MongoDB
- ❖ SQL
- ❖ HTML,CSS,JS

EDUCATION

- ❖ Computer Engineering | Met Bhujbal Knowledge City *CGPA:8.50*
- ❖ XII (State Bord) | MSG College Malegaon *80.50%| 2022*
- ❖ X(State Board)| Z.P Vidyaniketan Deola *90.20%/2020*

EXPERIENCE

- ❖ **Intern | AWS Cloud Management** *OCT-2024/DEC-2024*

After completing 20 hours of foundational AWS cloud training, I gained skills in cloud computing principles, AWS services, architecture, and deployment best practices. Additionally, I have been working on small projects using AWS services such as S3, EC2, and Lambda.

ACADEMIC PROJECTS

- ❖ **Gemini Ai chat-bot**
Gemini AI Chat-Bot * Built an AI chatbot using React.js, HTML, CSS, and JavaScript to handle user queries, provide instant responses, and simulate natural conversations.
- ❖ **Student Management System**
Student Management System: Created a system for managing student details, grades, and attendance using HTML, CSS, MongoDB, Node.js, Express.js, React, and JavaScript.
